Re: Riley Road Improvement Project

Dear Mayor Holloway:

I understand that the City of Ocean Springs is pursuing funding to provide improvements on Riley Road. As the city grows, the increased traffic on both Highway 90 and Ocean Springs Road is pushing traffic to the adjacent and connecting collectors to avoid the highway.

Widening the roadway to compliant travel lanes and improving amenities for pedestrian safety, will greatly contribute to the development and quality of life of the surrounding area. We support funding to the assist the city in its efforts to facilitate these improvements.

Sincerely,
